Welcome!

On behalf of our staff, we welcome you to our office. We are pleased that you have selected us to care for your dental needs and we look forward to your initial visit.

We want you to know that we are committed to provide you with the highest quality of oral health care in the most gentle, efficient, and enthusiastic manner possible. We pride ourselves on making dentistry a pleasant experience for you, while providing you with the best dental treatment.

Our emphasis is on early preventive care, but we also provide restorative care, including full mouth rehabilitation and emergency services. Our primary goal, whenever possible, is the retention of your healthy, natural teeth. With this in mind, let me tell you what you can expect on your first visit to our office.

During your first visit, a comprehensive examination will be completed. This exam will include necessary x-rays allowing us to diagnose the condition of your mouth, teeth and gums. In most instances, your dental condition will be determined at this visit, and if needed, a suitable treatment plan will be discussed with you.

We appreciate the value of your time, and except for emergency situations, you can expect us to be on time for you. We will appreciate the same courtesy. We expect at least 48-hour advance notice for appointment cancellation to allow us to schedule your reserved time to another patient in need.

If you have dental insurance, please bring your insurance card and your dental benefit booklet if one has been distributed. If a card is not available please have all insurance information, such as provider name, address, subscriber ID number, etc.

Should you have any questions about our practice, services, or policies please do not hesitate to contact our office or visit our website at www.sagawadental.com. Our new patient registration forms are available on our website to download and fill out prior to your initial visit. If you don't have access to the internet or a printer, please arrive 15 minutes before your scheduled appointment to complete registration forms. We look forward to your visit.

Mahalo,

Drs. Dennis and Kevin Sagawa and staff
